

St. Louis Modern Chinese School 圣路易现代中文学校

Dominated 2018-2019 Math League Contests

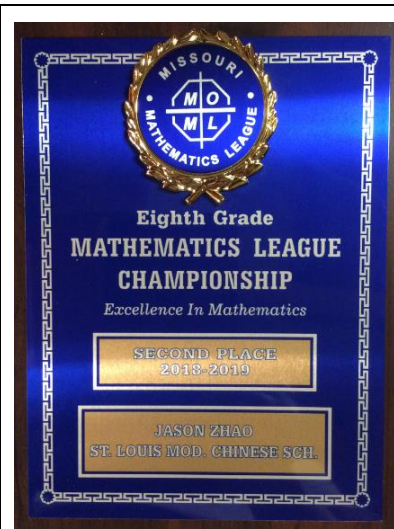

The Math League announced Missouri Mathematics League 2018-2019 annual contest results. St. Louis Modern Chinese School (SLMCS, 圣路易现代中文学校) dominated the Grade 8 and Grade 6 math contests for Missouri Mathematics League for both individual and school competition. SLMCS is the #1 school for both grades 6 and 8 contests, and six students won a suitably engraved plaque as shown below from the Missouri Mathematics League by finishing the top two spots in the individual category.

**#1, Kevin Tang, Grade 7
2018-19 Grade 8 Contest**

**#2, Jason Tsao, Grade 7
2018-19 Grade 8 Contest**

**#2, Jason Zhao, Grade 7
2018-19 Grade 8 Contest**

**#1, Newman Shen, Grade 3
2018-19 Grade 6 Contest**

**#2, Joshua Lam, Grade 4
2018-19 Grade 6 Contest**

**#2, Andrew Wang, Grade 5
2018-19 Grade 6 Contest**

Below is a photo of the winners, Minhui Zhang (President of SLMCS, 6th right), Xiaodong Zhu (Principle of Talent School, 5th left), and Dr. Leo Liu (Math League Contest Coordinator, and Math Teacher for Grade 6, 8, and Algebra I Contests, 4th right).

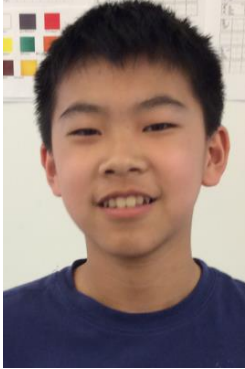

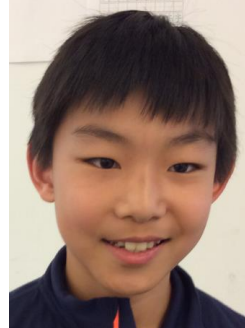

For the Grade 8 school contest category, after-school learning center, like SLMCS, is NOT eligible to win an engraved plaque for this category. However, among the 20 schools participating in the grade 8 contest, SLMCS scored 158 points and beat the #1 school, Wydown Middle School, by 27 points in the Missouri Mathematics League. SLMCS has been the #1 school for the past 3 years (2016-2019).

SLMCS Student Name	Score	School Rank	School	Team Score
Kevin Tang	33	*1	Wydown Middle School Clayton	131
Jason Tsao	32	*2	Barstow School Kansas City	127
Jason Zhao	32	3	Parkway Central Mid. Sch Chesterfield	118
Aric Wang	31	4	Gateway Science Academy at Fyler Saint Louis	106
Tina Wang	30	5	Christ Prince of Peace School Manchester	104
SLMCS Total	158	#1	St. Louis Modern Chinese School Clayton	158

2018-2019 Math League Grade 8 Contest - School Comparison

For the Grade 8 individual contest category, below are the 10 SLMCS students on the top 32 list:

 Kevin Tang #1, Grade 7	 Jason Tsao #2, Grade 7	 Jason Zhao #2, Grade 7	 Aric Wang #4, Grade 7	 Tina Wang #5, Grade 7
 Timothy Zhang #16 Grade 7	 Sophie Chang #24 Grade 7	 Jerry Chang #24 Grade 5	 Natalie Claybaugh #28 Grade 6	 Elaine Duan #28 Grade 8

The top 2 students, Kevin Tang, Jason Tsao, and Jason Zhao, won a suitably engraved plaque from the Missouri Mathematics League. SLMCS participated the Grade 8 contest for the past 3 years, and SLMCS won two plaques in 2016-2017, one plaque in 2017-2018, and three for 2018-2019. You could find the complete list and more details of the Grade 6-8 contests following the link:

<https://www.mathleague.com/downloads/gs1819/mo-678-1819.pdf>

St. Louis Modern Chinese School offers Math and Programming classes, besides Chinese/Bilingual Chinese Classes and other Art/Culture classes for both parents and students. You could find more details about the school and courses offered on slmcs.org.

SLMCS participated the Missouri Mathematics League Grade 6 Math Contest the first time in 2018-19. For the individual contest category, below are the 7 SLMCS students on the top 36 list. The top 2 students, Newman Shen, Joshua Lam, and Andrew Wang, won a suitably engraved plaque from the Missouri Mathematics League.

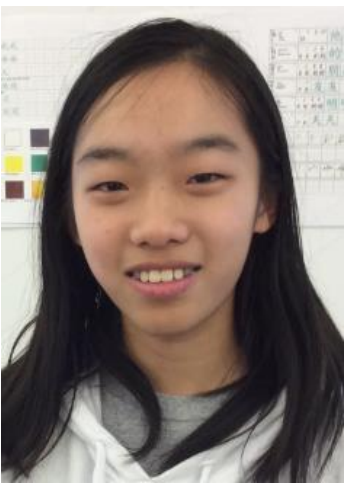

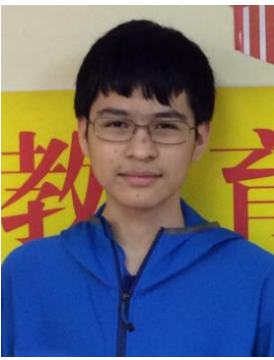

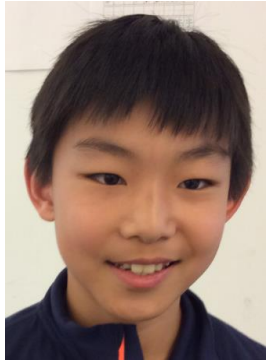

For the school contest category, among the 25 schools participating the grade 6 contest, the SLMCS top 5 students scored 145 points and beat the #1 school, Wydown Middle School, by 9 points.

SLMCS Student Name	Score	School Rank	School	Team Score
Newman Shen	31	*1	Wydown Middle School Clayton	136
Joshua Lam	30	*2	Gateway Science Academy at Fyler Saint Louis	120
Andrew Wang	30	*2	Parkway Central Mid. Sch Chesterfield	120
Michael Zhou	28	4	New City School Saint Louis	119
Gavin Zhang	26	5	Oakhill Day School Gladstone	113
SLMCS Total	145	#1	St. Louis Modern Chinese School Clayton	145

2018-19 Math League Grade 6 Contest - School Comparison

Unlike the Grades 6-8 Math League contests, the Algebra I contest is a nationwide contest. Below are winners on the top 273 student list.

			
Kevin Tang #20, Grade 7	Jason Tsao #20 Grade 7	Tina Wang #48 Grade 7	
			
Michael Serrano #116 Grade 9	Aric Wang #152 Grade 7	Andrew Wang #189 Grade 5	Jerry Chang #233 Grade 5

For the school contest category, the SLMCS top 5 students scored 137 and won the #12 spot as below. You could find more details on: <https://www.mathleague.com/downloads/45a1819/45a-1819.pdf>

SLMCS Student Name	Score	School Rank	School	Team Score
Kevin Tang	29	1	Deerlake Middle School Tallahassee, FL	148
Jason Tsao	29	2	Carmel Valley Middle School San Diego, CA	145
Tina Wang	28	3	Russell Sage JHS 190 Forest Hills, NY	144
Michael Serrano	26	4	Bergen Academy Hackensack, NJ	143
Aric Wang	25	4	Univ of Chicago Lab Sch Chicago, IL	143
SLMCS Total	137	#12	St. Louis Modern Chinese School Clayton	137
